

Flue Gas Cooler (FGC) Capacity enhancement

Client: Thermax Babcock & Wilcox Energy Solutions (TBWES), Pune

Project: Nayara Energy, Vadinar, Gujarat

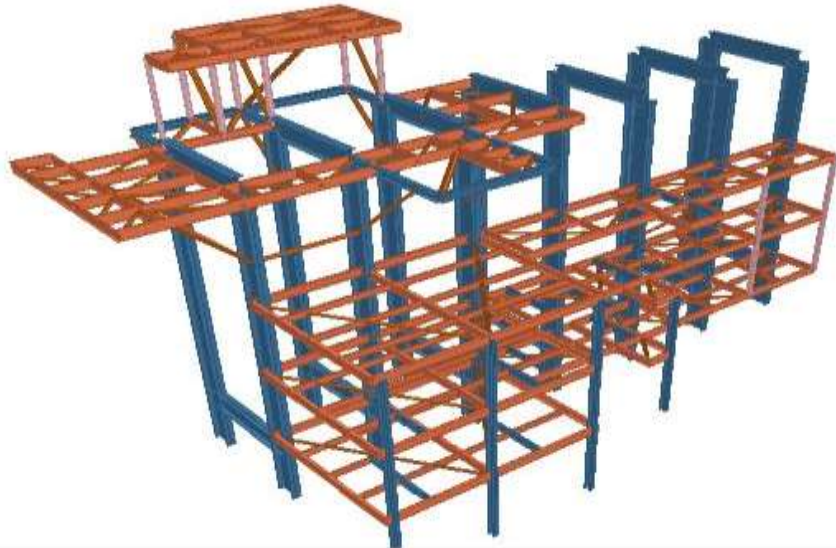

Scope Of Work:

- Fabrication and Erection drawings for
 - FGC Casing integral supports
 - FGC main frame steel
 - FGC outlet ducting up to chimney
- Complete structural engineering including stress analysis for
 - Ducting and its supports (TEKLA)
 - FGC casing and supports (STAADPro)
